

JUNIOR SHAKERS

MEMBERSHIP BOOKLET
2024 / 2025

Dear Parent/Guardian,

Bury Football Club is proud to announce the launch of 'Junior Shakers'.

Established in 1885, we are a two-time FA Cup winning club. We plied our trade within the English Football League from 1894 until 2019, before our unfortunate expulsion from the English Football League. Following our June 2023 merger with phoenix club, Bury AFC, we have been working hard to ensure we rise back to prominence.

With the club and ground now pieced back together, we are once again a team, with our men competing in the North West Counties Football League (tier nine of the football pyramid) and our women competing in the North West Women's Regional League (tier five of the women's football pyramid).

As we approach the new season, we are delighted to launch Junior Shakers, with the aim of encouraging younger fans to support the club, as well as getting them involved with grassroots football, and connecting with the local community.

Junior Shakers will receive a signed photo and a Christmas card from the first teams, a custom designed water bottle, the opportunity to mascot at a men's or women's Gigg Lane home game, amongst other benefits. (You can find a full list of membership benefits enclosed).

To become a Junior Shaker, complete the online membership form using the link: <https://buy.stripe.com/28oeVmb7h76q2n6cMM>. The annual membership fee is just £30 per child and will start from the day you sign up. Member packs will be ready for collection at home games from Gigg Lane by the end of the month. If you do not live within the vicinity or want to join from further afield, email us to arrange postal delivery in the UK or abroad (extra charges will apply). Once you have signed up, you will be contacted regarding a date to be a mascot during the season.

**So don't delay and be #PARTOFIT
Yours faithfully,**

**Casey Lynchey
Community Development Officer
Bury Football Club**
